- Important Dates
- Website Update
- Alberta Supports

Tis' the construction season. It's getting warmer, and we are ready to dig!

For all new applicants you can visit our website www.llbgascoop.com and under 'Our Services' all construction information and forms are located in there. You may also contact our office at **780-623-4000** or email Cheryl at ccraig@llbgascoop.com.

Here is what we need to begin your new gas installation:

1. Application, Contract, Alignment Agreement and Utility Right of Way completed.
2. Payment in full before construction will commence. (We will accept a 10% deposit to lock in this years construction rate)
3. Apply at least **3 months prior** to when you are expecting you will need your service.
4. Before construction will commence, the basement must be backfilled, modular must be on its foundation and mark meter location with a marked wooden lathe.

Construction rates for 2017 will remain at \$7000.00 +GST for rural, and \$3250.00 +GST for Urban.

Please have all the original documents needed for your new service brought into our office!
