

Connect to **your world,**
world markets and a world of **entertainment.**

Whether you're working or relaxing, better rural Internet service means fast, reliable access to more data. So it only makes sense to connect with the service provider that knows rural best.

A better connection to the world.

Why CCI Wireless makes sense.

More data.

Unlimited data.
Worry-free use for your entire family or business. One monthly payment, no surprises.

More speed.

Faster everything. LTE Technology allows faster streaming, faster downloads, faster uploads and a faster experience.

More reliability.

Trusted service. CCI Wireless was built by rural Albertans and is operated for rural Albertans.

Phone

Voice Mail and Calling Features
from \$21.00 per month

Refer a friend.

You will get one month
free internet service.

www.cciwireless.ca

CCI Wireless is a grass roots organization formed by rural Albertans. It is the product of 17 founding Alberta Natural Gas Coops, REA's, Municipalities and Towns, whose vision is to eliminate the digital divide between urban and rural Albertans.
